### Service and Support

**Shore Measuring Systems** is your one-stop source for grain moisture testing sales and service. We maintain a loaner inventory of moisture testers, so you are never out of operation while your equipment is down for repair.

We are an authorized Ohaus dealer and handle their line of scales. These units are also backed by our service department. We can provide factory authorized warranty repairs, and loaner units are available. In addition to Ohaus, we can provide service for other makes of grain scales.

### Equipment We Repair:

**Shore Measuring Systems** is your one-stop source for grain moisture tester sales and service. We repair many brands and models including:

Shore Model 935  
 Shore Model 930  
 Shore Model 920  
 Perten AM 5200-A  
 Perten 5100  
 Steinlite SL-95  
 Motomco 919\*

All brands of grain scales\*

\*Availability of replacement parts for older machines is not guaranteed.

**Shore Measuring Systems**
